

# Pintu Kumar

Full Stack Software Developer

+91 87097 93486 | pksharmagh4@gmail.com | My Github | My LinkedIn | My Portfolio

## Professional Summary

---

Full Stack Developer with 3+ years of experience building scalable web applications using React, TypeScript, Node.js, and PostgreSQL. Skilled in API design, secure authentication (OAuth 2.0/JWT), cloud deployment, and performance optimization for production systems.

## Skills

---

**Frontend** React, TypeScript, JavaScript (ES6+), Next.js, Tailwind CSS

**Backend** Node.js, Express.js, REST APIs, PostgreSQL, MongoDB

**Cloud/DevOps** Docker, AWS (EC2, S3, RDS), CI/CD

**Tools** Git, GitHub, Postman

## Experience

---

**Secure Access Tech Pvt Ltd** | Full Stack Developer

Jun 2025 – Present

Delivered features for **Chetak ERP** and led full-stack development of security-driven enterprise modules.

- Architected microservices supporting 10K+ daily active users across distributed infrastructure.
- Implemented OAuth 2.0 and JWT-based authentication, reducing access vulnerabilities by ~40%.
- Improved API reliability and maintainability through modular service design and code standards.

**Shypbuddy India Pvt Ltd** | Full Stack Developer

Dec 2024 – Jun 2025

Built core modules for **ShypBuddy Shipping Aggregator** to streamline shipment workflows.

- Developed real-time tracking dashboards using WebSockets for live shipment updates.
- Built and optimized REST APIs serving 50K+ requests/day with 99.9% uptime.
- Enhanced shipment visibility and operational efficiency through automation-focused features.

**Vigrous Healthcare Pvt Ltd** | Full Stack Developer

May 2024 – Dec 2024

Contributed to **Chikitsa.io** healthcare platform with a focus on secure and compliant data workflows.

- Built role-based patient management workflows with restricted data access controls.
- Implemented HIPAA-aligned encryption patterns for API and data storage layers.
- Delivered responsive UI components for high-usage clinical and administrative screens.

**Dakshit Technologies Pvt Ltd** | Web Developer

May 2023 – May 2024

Developed client web applications and e-commerce portals in Agile delivery environments.

- Delivered 5+ e-commerce portals with payment and cart functionality.
- Improved SEO performance, driving ~200% growth in organic traffic for multiple clients.

## Certifications

---
